

JOSE MARIA MARISCAL

**HAND THROWN PORCELAIN AND STONEWEAR.
CRYSTALLINE GLAZES.
REDUCTION IN CRYSTALLINE GLAZES and METALLIC EFFECTS IN CRYSTALLINE GLAZES
TEXTURES. COMBINATION WITH ESPECIAL TEXTURES AND HAND THROWN PIECES.**

Training

From a family of potters José learns throwing from very young.

We can say that Jose Maria Mariscal has learned from his father, he has lived pottery since child but has researched on their own to discover the world of crystalline glazes, raku and so on.

Never made any potter or ceramic course.

**Master Potter from la Generalitat de Catalunya (Spain)
NCECA national Council of Ceramic Arts (USA)**

Experience

From an early age began working throwing in La Bisbal de Empordá and is passed from one studio to another. Then, in May 2003 opened his own studio.

Ceramics Mariscal seeks to create unique pieces .

Some pictures of the work of Jose Maria Mariscal has served to illustrate some fairs promotional brochures and even a television advertisement in Catalonia. TV3 You can read too some articles in **Ceramics Review**, **Revista Ceramica** and so on.

José Mariscal has conducted some workshops (throwing workshops and Crystalline glazes workshops) in Dunedin (USA) 2013 and 2018 , Netherlands, Belgium, Israel and in Spain (Curso internacional de Ceramica de Pontevedra, Manises, Empordà Fang Cuit, International Ceramic workshop Gijón, Granada-Taller Ceci Punzo, Escuela de Ceramica de Muel, Australia (Brisbane) next year and he is one of the people how has organized Cristalls2013 a Crystalline glazes convention in Spain spring 2013.

Jose' Maria Mariscal

two days
February 23 - 24, 2013

633W - Crystalline Workshop

Guest artist, Jose' Maria Mariscal travels from Spain to share his dynamic expertise in throwing and crystalline glazing. The workshop will include demonstrations in throwing and glaze techniques with hands-on intervals when participants practice what they've learned. Over the two days, every aspect of creating a successful crystalline vessel will be addressed: throwing, trimming, glaze mixing + testing and firing schedules.
